

CLOTHING AND EQUIPMENT LIST

(Use this as a checklist before leaving home)

This clothing list should be used as a guideline for packing. Suggested quantities are based on needs for 8 days at camp. Use your discretion when packing and keep in mind that there are no laundry facilities for campers. Please use duffle bags or hockey bags to pack your belongings (available at sporting goods or army surplus type stores). Trunks and suitcases are too difficult to store, are very cumbersome and therefore not allowed at camp.
